That's right.

As part of its 40th Anniversary celebration,  
***Sunrise Trail Division wants to give away memberships  
in the National Model Railroad Association.***

**No kidding! No gimmicks!**

**Absolutely**

**nothing to pay;**

**nothing to fill out;**

**nothing to send in.**

**A phone call does it all.**

**Just meet the following three qualifications, and we'll make you an NMRA Rail Pass member**

- You must reside in the Bronx, Manhattan, Brooklyn, Queens, Nassau or Suffolk.
- You must let the Sunrise Trail Division file your application with the NMRA.
- You cannot have ever been a member of the NMRA previously.

**That's all there is to it.**

***There's no easier way to become a member of the world's foremost model railroading organization***
